

Assisted Living

We have completed plans for Assisted Living Facilities in several communities including McHenry, Huntley and Plainfield. *Heritage Woods* in McHenry is a 99 room facility which opened in the summer of 2008. The Huntley facility, also named *Heritage Woods*, started construction in 2008 and is currently under roof, while *Plainfield Assisted Living*, broke ground in October 2008.

Heritage Woods

Heritage Woods of McHenry is an affordable assisted lifestyle community located in the heart of McHenry County. Each of the 99 private apartments at Heritage Woods of McHenry features a kitchenette, spacious bathroom with shower, individually controlled heat and air conditioning and emergency response system. Services provided on this project included topographic surveys, schematic designs, construction documents, construction staking, construction guidance, and as-built plans.

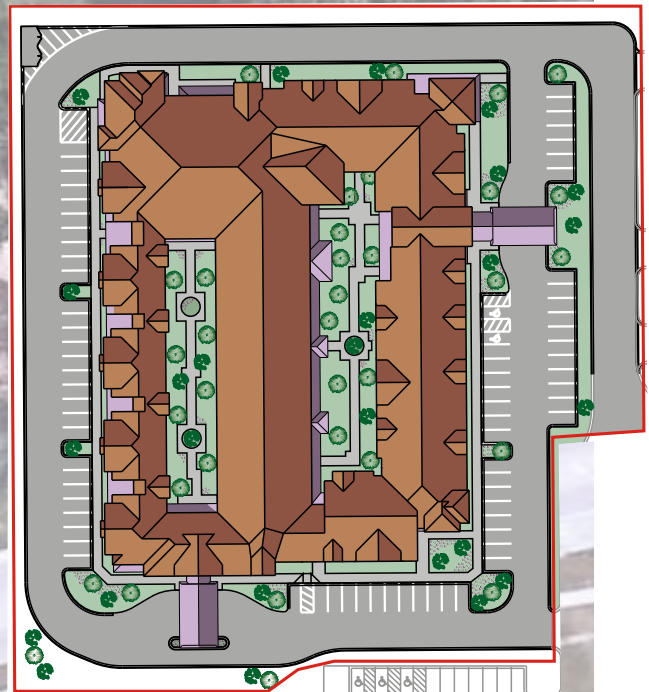

Heritage Woods

Heritage Woods of Huntley is an assisted living community that is being developed on Regency Parkway, west of Hwy. 47, in Huntley. The community will combine residential apartment home living with the availability of personal assistance and support services. The two-story building will house 72 private apartments. Services provided on this project included topographic surveys, schematic designs, construction documents, construction staking, construction guidance, and as-built plans.

Plainfield Assisted Living

Plainfield Assisted Living is an assisted living community that is being developed on Van Dyke Road, north of 127th Street in Plainfield. The community will combine residential apartment home living with the availability of personal assistance and support services. The two-story building will house 145 bedrooms. Services provided on this project included schematic designs, construction documents, construction staking, construction guidance, and as-built plans.
